

## Aesthetix Retail Price List - January 1, 2026.

		<b>MPC</b>
<b>Mimas Integrated Amplifier</b>	5 Input Linestage/Stereo Power Amplifier; 150 wpc @ 8ohms, 1/4" headphone output, Home Theater bypass, Preamp out, IR extender, Remote trigger, RS-232. Optional Class A Headphone Amp (1W @ 32ohm) upgrade coming soon. <b>Includes HRC-3</b>	<b>12.400,00 €</b>
Optional Mima / Pallenes Phono	2 Single-Ended Inputs: MM & MC specific programmable options.	<b>1.800,00 €</b>
Optional Mimas / Pallene DAC	5 Inputs: 2 xRCA, 2 x TosLink & 1 x USB. 24bit/352K, DSD and DSD2.	<b>1.800,00 €</b>
Optional Mimas Crossover	4 crossover options: 60,80,100 & 120Hz	<b>370,00 €</b>
<b>HRC-3 Remote Control</b>	Brushed aluminum, backlit, motion-sensing hand held remote. Can be used with any or all Aesthetix products. (Software updates may apply).	<b>500,00 €</b>
<b>Pallene Preamplifier</b>	5 Input Linestage, 1/4" headphone output, Home Theater bypass, IR extender, Remote trigger, RS-232. Optional Class A Headphone Amp (1W @ 32ohm) upgrade coming soon. <b>Includes HRC-3 Remote.</b>	<b>8.700,00 €</b>
<b>Dione Power Amplifier</b>	Hybrid power amplifier featuring zero feedback, differential, balanced-bridged outputs and is based on both the world class award-winning Atlas power amplifier and the output section of the Mimas integrated amplifier.	<b>10.000,00 €</b>
Optional Crossover	Discrete internal crossover With separate Crossover inputs. 9 selectable crossover frequencies	<b>TBD</b>
<b>Metis Linestage</b>	Reference level single box tube linestage. Invisible Power Supply, Aesthetix Coupling Modules, silver or black faceplate and custom finish options for knob & ring. <b>Includes HRC-3 Remote (Above).</b>	<b>37.500,00 €</b>
<b>SATURN ECLIPSE SERIES</b>	Saturn Eclipse units use Stealthcap™ capacitors, greater chassis damping, and transformer isolation and updated grounding	
<b>Janus Eclipse</b>	Stealthcap™ capacitors, hand tuned line frequency response & RIAA, HRS feet. <b>Includes HRC-3 remote</b>	<b>23.100,00 €</b>
<b>Calypso Eclipse</b>	Stealthcap™ capacitors, hand tuned frequency response, HRS feet. <b>Includes HRC-3 remote</b>	<b>17.500,00 €</b>
<b>Rhea Eclipse</b>	Stealthcap™ capacitors, hand tuned RIAA, HRS feet. <b>Includes HRC-3 remote</b>	<b>20.000,00 €</b>
<b>Pandora Eclipse</b>	Stealthcap™ capacitors, DSD, DSD 2X, Vishay resistors, HRS feet	<b>17.500,00 €</b>
<b>Pandora Eclipse VC</b>	As above with switched resistor volume control	<b>18.700,00 €</b>
<b>Romulus Eclipse</b>	Stealthcap™ capacitors, DSD, DSD 2X, Vishay resistors, HRS feet	<b>21.200,00 €</b>
<b>Romulus Eclipse VC</b>	As above with switched resistor volume control	<b>22.500,00 €</b>
<b>Atlas Stereo Eclipse</b>	Stereo power amplifier; 200 wpc @ 8 Ω ; 400 wpc @ 4 Ω ; high pass filter, Super Matched pair output devices, distributed node technology, decoupled power supply, improved grounding and high current power supply wiring, updated chassis	<b>25.000,00 €</b>
<b>Atlas Stereo Eclipse Classic Face</b>	Stereo Eclipse with standard Saturn faceplate.	<b>22.500,00 €</b>
<b>Atlas Mono Eclipse (each)</b>	Power amplifier (each);300 watts @ 8Ω; 550 wpc @ 4Ω; high pass filter; Atlas Mono Eclipse amplifiers feature Eclipse upgrades as outlined above, updated chassis	<b>21.800,00 €</b>
<b>Atlas Mono Eclipse Classic Face</b>	Mono Eclipse with standard Saturn faceplate. Price per mono.	<b>19.300,00 €</b>
<b>SATURN SIGNATURE SERIES</b>	Uses Dynamicap capacitors, improved signal wire, hand tuned RIAA and HRS Nimbus Coupler feet	
<b>Janus Signature</b>	Dynamicap capacitors, hand tuned line frequency response & RIAA, HRS feet	<b>18.100,00 €</b>
<b>Calypso Signature</b>	Dynamicap capacitors, hand tuned frequency response, HRS feet	<b>12.400,00 €</b>
<b>Rhea Signature</b>	Dynamicap capacitors, hand tuned RIAA, HRS feet	<b>15.000,00 €</b>
<b>Pandora Signature</b>	Dynamicap capacitors, DSD, DSD 2X, Vishay resistors, HRS feet	<b>13.700,00 €</b>
<b>Pandora Signature VC</b>	As above with switched resistor volume control	<b>15.000,00 €</b>
<b>Romulus Signature</b>	Dynamicap capacitors, DSD, DSD 2X, Vishay resistors, HRS feet	<b>17.500,00 €</b>
<b>Romulus Signature VC</b>	As above with switched resistor volume control	<b>18.700,00 €</b>
<b>Atlas Stereo Signature</b>	Stereo Power amplifier; 200 wpc @ 8 Ω ; 400 wpc @ 4 Ω ; high pass filter, Stealthcap™ caps; upgraded binding post wiring; 2x output stage power supply capacitance; low inductance metal foil resistors	<b>20.000,00 €</b>
<b>Atlas Mono (each)</b>	Power amplifier (each);300 watts @ 8Ω; 550 watts @ 4Ω; high pass filter; Atlas Mono amplifiers feature upgraded Signature componentry as outlined above	<b>17.500,00 €</b>
<b>SATURN STANDARD SERIES</b>	Available with silver or black faceplate	
<b>Janus</b>	Full function tube remote control preamplifier	<b>12.400,00 €</b>
<b>Calypso</b>	Tube remote control line stage	<b>8.700,00 €</b>
<b>Rhea</b>	High gain tube remote control phono stage	<b>10.000,00 €</b>
<b>Pandora MKII</b>	Tube DAC With AES/EBU, S/PDIF And USB inputs. <b>Now with DSD &amp; DSD 2X</b>	<b>10.000,00 €</b>
<b>Pandora MKII VC</b>	As above with switched resistor volume control. <b>Now with DSD &amp; DSD 2X</b>	<b>11.200,00 €</b>
<b>Romulus MKII</b>	Tube CD player/DAC with AES/EBU, S/PDIF And USB inputs. <b>Now with DSD &amp; DSD 2X</b>	<b>12.400,00 €</b>
<b>Romulus MKII VC</b>	As above with switched resistor volume control. <b>Now with DSD &amp; DSD 2X</b>	<b>13.700,00 €</b>
<b>Atlas Stereo</b>	Stereo Power amplifier; 200 wpc @ 8 Ω ; 400 wpc @ 4 Ω ; high pass filter	<b>17.500,00 €</b>
<b>JUPITER ECLIPSE SERIES **</b>	Available with silver or black faceplate; features custom finish configuration options	
<b>Callisto Eclipse Linestage</b>	Ultimate 2 box all tube line stage; Stealthcap™ coupling caps	<b>50.000,00 €</b>
<b>Callisto Eclipse Remote Control</b>	Optional external remote control for Callisto linestage only. <b>Includes HRC-3</b> . *Does not count as piece for quantity discount	<b>3.700,00 €</b>
<b>Io Eclipse Phonostage</b>	Ultimate 2 box all tube phono stage; Stealthcap™ coupling caps; hand tuned RIAA	<b>43.700,00 €</b>
<b>Io Eclipse w/Volume Controls</b>	With precision stepped attenuator	<b>50.000,00 €</b>
<b>Second Eclipse Power Supply</b>	All tube power supply for Eclipse Jupiter series	<b>12.500,00 €</b>
Io and Callisto MKII and Signature versions are available by special order.		
<b>ABCD-2 Cartridge Demagnetizer</b>		<b>220,00 €</b>
